THE SERIOUS STUFF

WARNINGS: PLEASE READ BEFORE YOU RIDE

Before you ride, best you familiarise yourself with all of the following safeguards. Failure to follow these warnings could result in serious injury to yourself or others and damage to your bicycle.

- Please remove all packaging material before giving the toy to a child. This toy has plastic packaging which is not a toy and must be kept away from children.
- Please keep this packaging and the instructions for future use or return.
- This toy must be assembled by an adult in accordance with the instructions in the user manual before being given to a child to ride.
- This toy should be checked before every ride to ensure all bolts are securely fastened and the toy is in good working order.
- This toy requires adult supervision at all times whilst in use.
- This toy requires protective equipment such as a safety helmet to be worn when in use.
- This toy should not be used in traffic at any time.
- This toy should not be used on public highways.
- Please wipe down this toy, freeing it from all dirt. Once clean please store in a dry place. This toy should not be left out-side.
- Wear bright or light coloured clothing or a vest with reflectors so that you can easily be seen.
- Never ride at night without reflectors and a proper lighting system.
- Do not tamper with or physically alter your bicycle frame in any way. If you fail to observe this warning you may seriously harm the structural integrity and/or longevity of your frame which could lead to a serious accident. The guarantee on your frame will also be voided if the frames has been tampered with or altered.

KIDVELO BIKES LIMITED WARRANTY

WARNINGS: PLEASE READ BEFORE YOU RIDE

Kidvelo built bicycle and components are warranted to be free from defects in material and workmanship.

LIMITED WARRANTY Kidvelo frames and forks are warranted against defects arising from normal use for **life from the date of purchase**.

All other Kidvelo components are warranted against failure or defect arising from normal uses for 2 years from the date of purchase. Tyres, tubes, brakes shoes, cable and training wheels are excluded from this warranty. Shipping and labour charges are not included in this warranty.

Kidvelo will replace or repair at their discretion any frame found to be defective in materials or workmanship. Replacement will be made with frames of current design that may not be exact duplicates of originally purchased goods. The frame model used for replacement will not be lower in value than the original frame.

This warranty gives you specific rights in addition to other rights you may have. These rights vary from state to state. Which the consumer has under the trade practices act and other state territory laws.

EXCLUSIONS The warranty, or any implied warranty, does not cover normal wear and tear and all warranties are void if the bicycle is used for other than normal activities. Occasionally bicycles are involved in accidents. Repairs or replacements required where there is evidence that such conditions have contributed to a component failure, will not be covered by this warranty.

NOTICE The user assumes all risks for any personal injuries, damages to or failure of the bicycle and other losses if this Kidvelo bicycle is used in any competitive event, including, but not limited to, bicycle racing, dirt biking or similar activities, or training for such activities, or with motors or power-driven vehicles. This warranty does not cover any personal injuries, damage to or failure of the bicycle or any other losses due to accident, misuse, neglect, abuse, normal wear, improper assembly or improper maintenance.

HELMETS The Kidvelo organisation advises you must wear a country approved bicycling helmet when bicycling.

See Your Authorised Kidvelo dealer for Service and Replacement

Claims under this warranty should be made to your authorised Kidvelo dealer with dated proof of purchase, and said dealer will determine if the components(s) is defective. Any defective part will be replaced free of charge. Installation labour is not included in this warranty. This warranty is extended to the original owner only and does not cover any defect, malfunction or failure which does not conform to the limited warranty aforesaid.

SETTING UP YOUR ROOKIE 12 BALANCE BIKE

1 FIT THE HANDLEBAR

- A** Using the allen key provided, remove the 4 x Hex head bolts securing the front plate of the stem.
- B** Place the handlebar on the front of the stem and re-attach the front plate with the 4 x bolts previously removed.
- C** Be sure that the stem clamps the centre of the handlebar and that you don't over-tighten the hex bolts
- D** Now slide up the neoprene cover and use the allen key (provided) to tighten the 2 x hex bolts ensuring the handlebars are correctly aligned

IMPORTANT STUFF

Do not over-tighten the stem bolts, you could strip the thread from the stem or the bolt. Recommend torque setting is 9Nm.

SETTING UP YOUR ROOKIE 12 BALANCE BIKE

2 FIT THE FRONT WHEEL

- A** Loosen the 2 bolts on both sides of the front wheel.
- B** Check the tyre rotation arrow and fit accordingly
- C** Then place the wheel axle into the front fork drop outs with washer between the forkdrop out and the bolt head. Tighten the bolts with supplied allen key. Ensure that the wheel is straight and that it spins freely.

IMPORTANT STUFF

Check your tyre pressure before riding, either by hand or by using a pressure gauge. Your tyres should be inflated to the pressure range indicated on the tyre sidewalls, 40 PSI is recommended tyre pressure.

SETTING UP YOUR ROOKIE 12 BALANCE BIKE

3 ADJUST THE SEAT HEIGHT

- A Loosen the quick release lever on the seat post clamp to allow height adjustment of the saddle.
- B Adjust the height so that your child's feet rest comfortably on the ground, flat and with a slight bend in the knee.
- C **NOTE:** Do not adjust the saddle height beyond the marked safety line on the seat post.

SIMPLE MAINTENANCE

Your Kidvelo Rookie 12 is designed to be low maintenance but it will still benefit from care and attention.

CLEAN & STORING

Cleaning your bike regularly means you are more likely to notice any loose or worn components and possible frame damage. A clean, well maintained bike will also run more smoothly.

We recommend using a bicycle or car shampoo, a sponge and a brush. Wash, rinse and dry before lubricating it. **DO NOT JET WASH** as this may damage your bike's cartridge bearings. Store your Kidvelo Rookie 12 in a dry place when not in use. Never leave your bike outside for prolonged periods of time.

REGULAR CHECKS

Periodically check wheels and tyres for damage. Ensure that tyre pressures are at the recommended PSI level on the side of the tyre. Regularly check and tighten all bolts. If broken in any way discontinue use immediately and refer to your authorised Kidvelo retailer.

SAFETY FIRST

We take safety seriously.

RIDING IN THE DARK

If you and your child will be riding in dull or dark conditions we recommend that you use a set of reliable battery powered lights. We also strongly recommend your child wears reflective clothing when riding, but especially in low light conditions.

RIDING ENVIRONMENT

Children should be under adult supervision at all times. Be aware of potential dangers in their riding environment. For example; do not use near swimming pools, bodies of water, near steps, on steep hills, on stairways or on the open road.

NOT FOR ADULT USE

The Rookie12 is a small child's bike. As such, it is not intended for use by kids over 6, teenagers or adults. An adults weight on the bike could result in damage to parts on the bike including, but not exclusive too, the frame, forks, saddle and wheel set.

CHOKING HAZARD

Valve caps have been removed from the bike as they are deemed a potential choking hazard under EN-71 testing standards.
